## LIVERPOOL CITY Champion

## Liverpool soccer boys off to England

TOP young soccer talents Moudi Najjar and Alexander Zarafetas are set for the experience of their lifetimes. Moudi, 12, of Kemp's Creek, and Alexander, 13, of Liverpool, will be at the Manchester City Youth Academy for three months improving their skills.

They will fly to England on September 30. While at the academy, Alexander and Moudi will play games against teams in their age group from Manchester, Wigan, Preston North End and Bolton.

It's thanks to their coach, Nick Dimovski, who is a mentor to the youngsters in the Football NSW Premier Youth League with Bonnyrigg White Eagles representative under 13s, that this opportunity has happened for them.

Dimovski is an international players representative with strong ties in Britain. He and Brendan Anderson coach Moudi and Alexander at the World Football Group Academy at Club Italia, Lansvale,

The academy also has a strong link with English club Preston North End. Players and coaches from the British organisation also visit the Club Italia, Lansvale, for coaching clinics throughout the year.

Dimovski said Alexander and Moudi were two of the finest youngest players he had been associated with as a coach. He said that over his past 10 years as a Premier Youth League coach , Moudi and Alexander would have to be "two of the finest players to I have seen play in this age group".

"Quite simply, they are ahead of their time," Dimovski said. "Moudi is a lethal striker, with quick feet, speed and tonnes of skill. "Alexander plays right back or in the midfield and is also very skilful — very fast and strong on the ball."

Moudi said he was "very excited" about going to England. "I have never been on a plane before," he said. "I am excited about flying." Moudi previously played with Kemp's Creek United Soccer Club in the Southern Districts Soccer Football Association. He is in year 7 at Westfields Sports High School and part of the soccer program.

Alexander said living in England for three months would be a great experience to further develop his playing skills. He is in year 8 at Patricia Brothers College Blacktown.
